

Residential Outdoor Kitchen Equipment

Wood burning ovens offer the best of both worlds

Stoke up your indoor or outdoor dining experience with one of our beautiful, small-footprint Wood Burning Ovens, ready to be placed on the included base or a sturdy base of your choice. You'll have plenty of cooking space to serve up bountiful dinners for friends and family. These preassembled wood-fired brick ovens offer the benefit of a permanent wood fired oven without the time and expense of a full, custom installation.

Our unique insulating design creates a heating envelope that allows your oven to reach high temperatures quickly while remaining cool on the outside.

Features:

• UNPARALLELED PERFORMANCE

- Hold heat longer
- Heat faster
- Can cook in excess of 1000°.
- All thanks to a proprietary blend of commercial grade refractory cement.

- **REMARKABLE FLAVORS:** Anything cooked on a grill or in a conventional oven can be prepared in a wood-burning oven. The difference? Everything tastes better when it's wood-fired.
- **ENDLESS MENU POSSIBILITIES:** Fire up anything including grilled meats, roasted vegetables, bubbling cheeses, flaky pizza crusts, and more.
- **Designed by professionals**
- **PROVEN:** Time-tested by thousands of Oven owners worldwide
